### Description

Very rare TRS-80 with original manuals. I do not know all of the specifics of this machine. **It does work and has several books and instructional manuals included.** It is also in its original box!!

It is in great condition with no visible damage, only normal wear marks ect.

I think it is a 48k machine and it does have two 5 1/4 disks installed.

I will be more than happy to try to answer any questions about it, just email me.

Obviously this is a Vintage machine and i offer no guarantees about how well it works.

Thanks for looking and good luck!!!
